Dear Parents/Guardians

Re: ONLINE UPDATES

The management, administration and staff would like to express their appreciation to all our esteemed parents and dear children for the continued support of our Online Programs. We understand the enormous responsibility and challenge that Online learning placed on to parents and learners as you had to create time, space, routine and support for learning at home. Humbly, allow me bring to you a few updates on our progress this month.

ONLINE ENROLLMENT

We have registered a significant number of entrants to our online learning programs. We encourage all our parents to be part of this homeschooling arrangement.

ACADEMICS

I thank our team of essential teachers for all the extensive work they are doing to ensure children understand well the topics being taught. We have also received more learning materials from **NCDC and the Ministry of Education**. Our team of teachers has simplified the content into **lessons with activities** and summarized notes which will help our children. I advise all parents to access and use these materials in order to plan appropriately for further learning when Schools resume in January, 2021. We can't wait to see our children when school opens. Ensure that your child is completing all the daily/weekly assignments and submitting for marking in a timely manner. For Online connection challenges, please contact our ICT admin on **(0701886553)**.

OCT/NOV CONT. ASSESSMENT

Information regarding this month's Continuous Assessment will be forthcoming.

TERM DURATION

Our academic term for online program is for two months. First month is designed for 19th October, 2020 to 18th November, 2020. The second month is scheduled for 19th November, 2020 to 18th December, 2020.

DISCIPLINE

Generally, the online discipline of our children is commendable. My humble appeal to you is to make internet safety of our children number one priority. The noise at the background during lessons has greatly reduced and our children seem to be enjoying the live interaction with their teachers.

MONTHLY PAYMENTS

We extend our gratitude to you for working diligently to facilitate this program. A big thank you to parents who made a timely payment for this month, our expenses continue to be the same or even more. Therefore, parents who have not met their obligation are kindly reminded to do so before Monday, 2nd Nov. 2020. The two weeks **GRACE PERIOD** accorded to everyone ends today.

All payments **MUST** be made using our school pay codes and for payment inquiries, please contact the School **Bursar (0779914493)**. It's not our wish to inconvenience our children's online lessons in anyway. I humbly call upon your urgent attention and cooperation. Please know that we truly appreciate you and value your support.

Kind regards.

OMUMWA RICHARD

Head teacher
